A Splashing Event Has Hit Rudyard

Rudyard has a new swimming hole, only this time there is no mud in the bottom. Rudyard's new pool has opened with the hope of pleasing the community, and providing a new educational experience for all the students of Rudyard.

Our Precious Youth

How beautiful is youth! How bright
it gleams
With its illusions, aspirations, dreams!
Book of Beginnings, Story without
End,
Each maid a heroine, and each man a
friend!
All possibilities are in its hands,
No danger daunts it, and no foe with-
stands;
In its sublime audacity of faith,
"Be thou removed!" it to the moun-
tain saith,
And with ambitious feet, secure and
proud,
Ascends the ladder leaning on the
cloud!

Longfellow

LOOK!

Happiness and Smiles

There is a smile of love,
And there is a smile of deceit,
And there is a smile of smiles
In which these two smiles meet.
William Blake

Those who bring sunshine in to the
Lives of others can not keep it
From themselves.
Sir James Barrie

The most completely lost of all
Day is that on which one has
Not laughed.
Chamfort

The happiest people seem to be those
Who have no particular cause for
Being happy except that they are so.
Dean W. R. Inge

Happiness is as a butterfly,
which, when pursued, is always
just beyond your grasp,
but which, if you will sit down
quietly, may alight upon you.
—Nathaniel Hawthorne

Homecoming

The Rudyard Marching Band put on an exciting half time show performing such popular commercial theme songs as "You've Said It All" and "I'd Like to Teach the World to Sing."

The Freshman float entry was "Rail 'em Rudyard." The Sophomores entered a one-eared bunny to express the theme "Play-Boys." The Juniors copped first placed with their football player and champagne bottle depicting the theme "We're Bubbling Over With Spirit." The Seniors captured second place with "Cage the Cats."

The winning float was presented with a $25 check from Student Council and a trophy donated by the Rudyard Lions' Club.

Homecoming Queen

Karen Nayback was crowned Rudyard's 1972-73 Homecoming Queen. Karen, a senior, is the president of FHA, state treasurer of FHA, art editor of the newspaper, and a cheerleader. She also participates in yearbook, Pep Club, and Drama Club activities.

Karen's court includes Miss Bea Mayer, senior; Miss Becky Etters, senior; Miss Geri Lampman, junior; and Miss Kim Seavey, freshman.

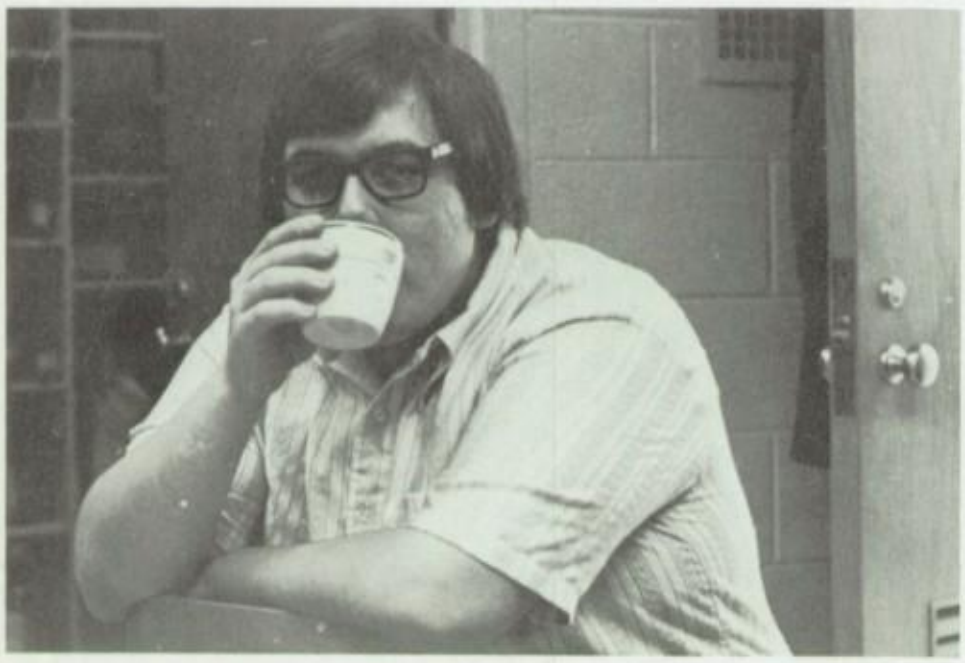
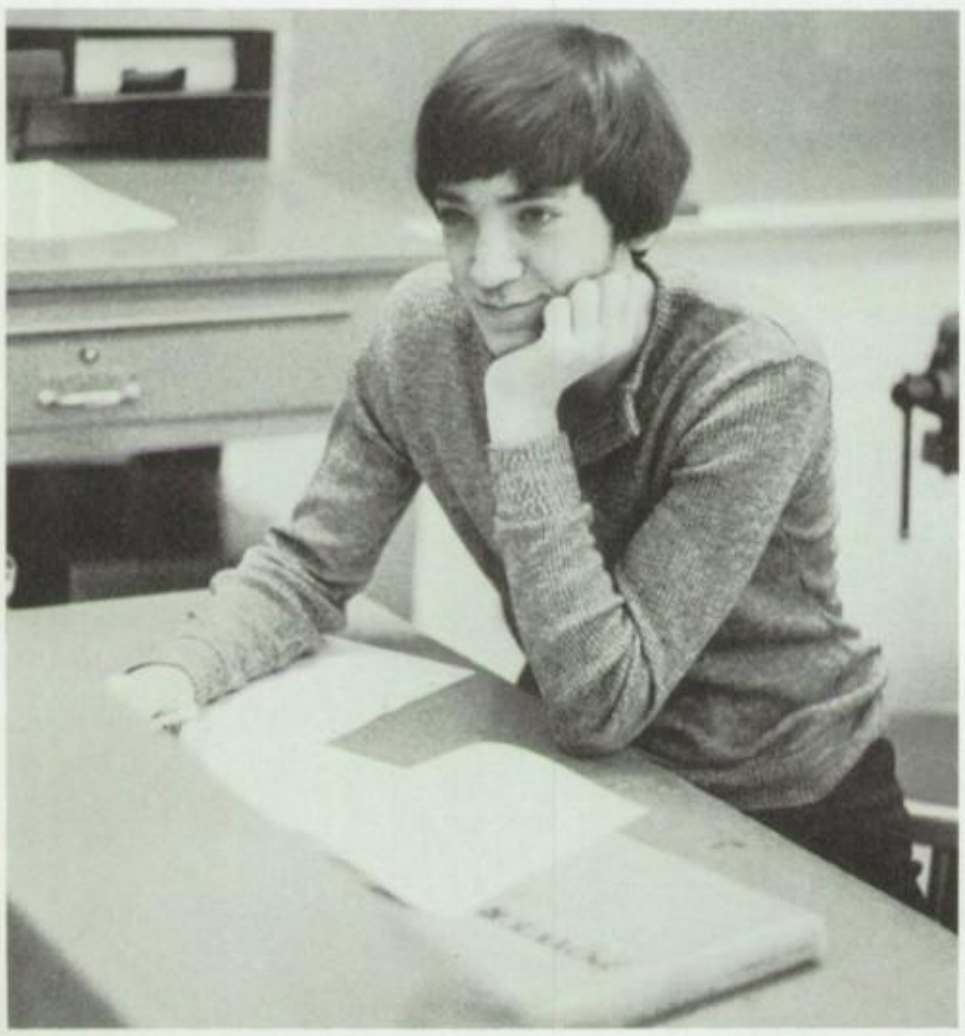
SCHOOL IS A TIME FOR . . .

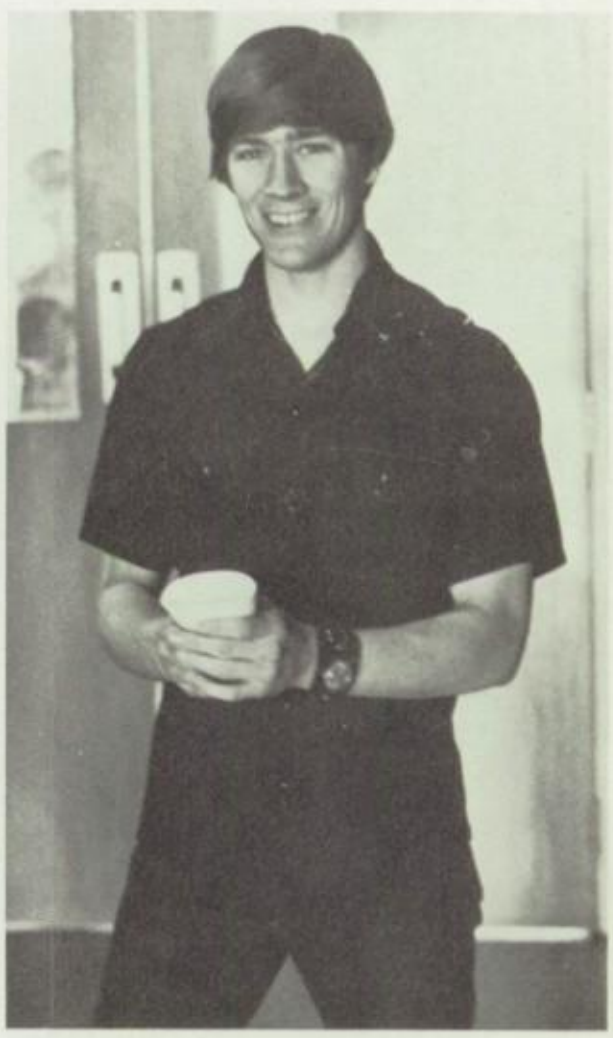
Eating, Dreaming, Thinking, Working and sometimes Studying?

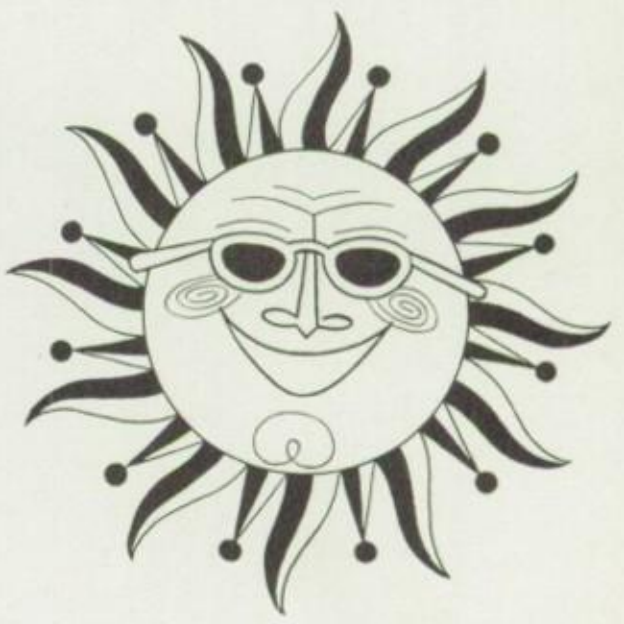




How is it that although little
Children are so intelligent, most
Adults are so stupid? Education
Must have something to do with it.
Alexandre Dumas

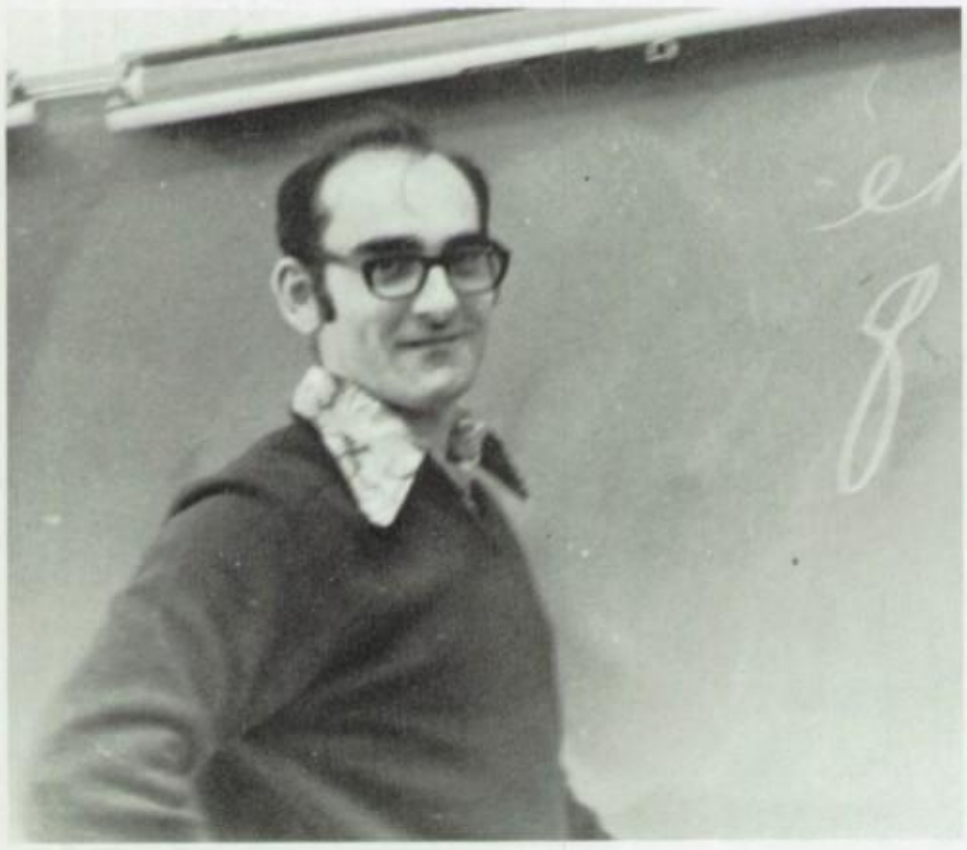
The happiness of life is made up
Of minute fractions.
The little soon forgotten charities
Of a kiss or smile,
A kind look,
A heartfelt compliment.
Samuel Coleridge

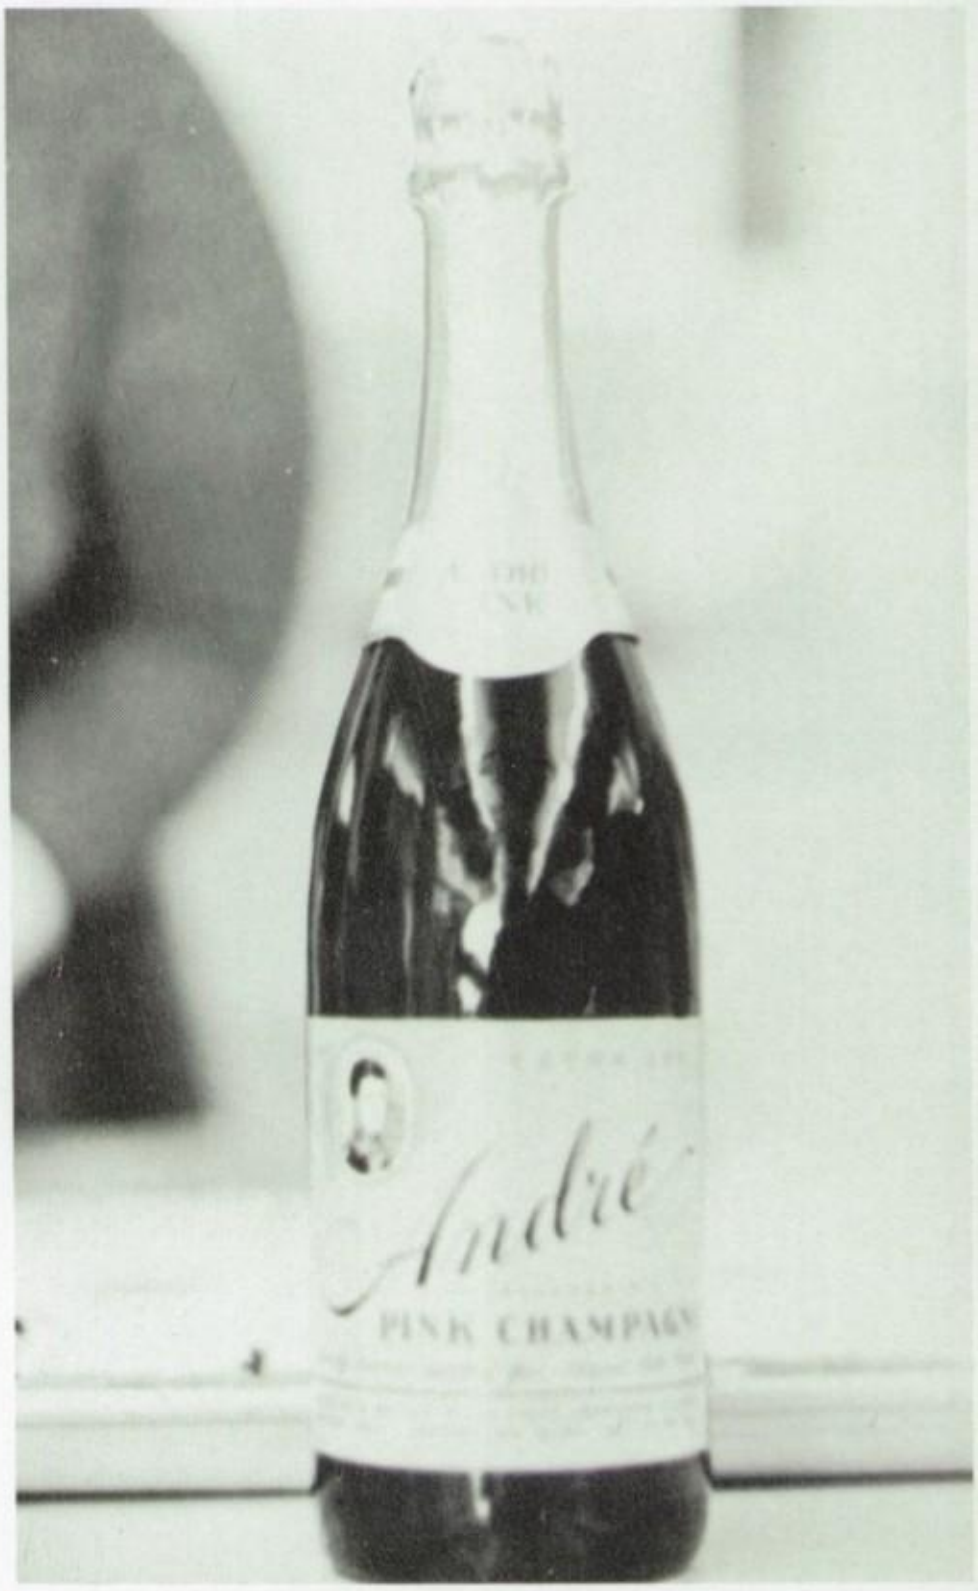




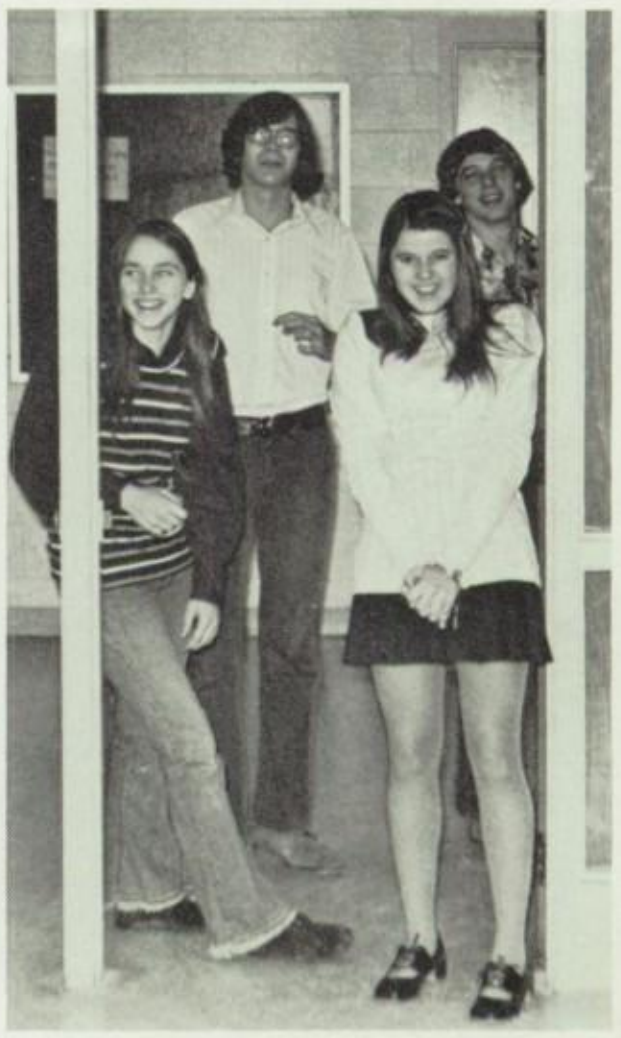
Smile, and the world smiles with you.

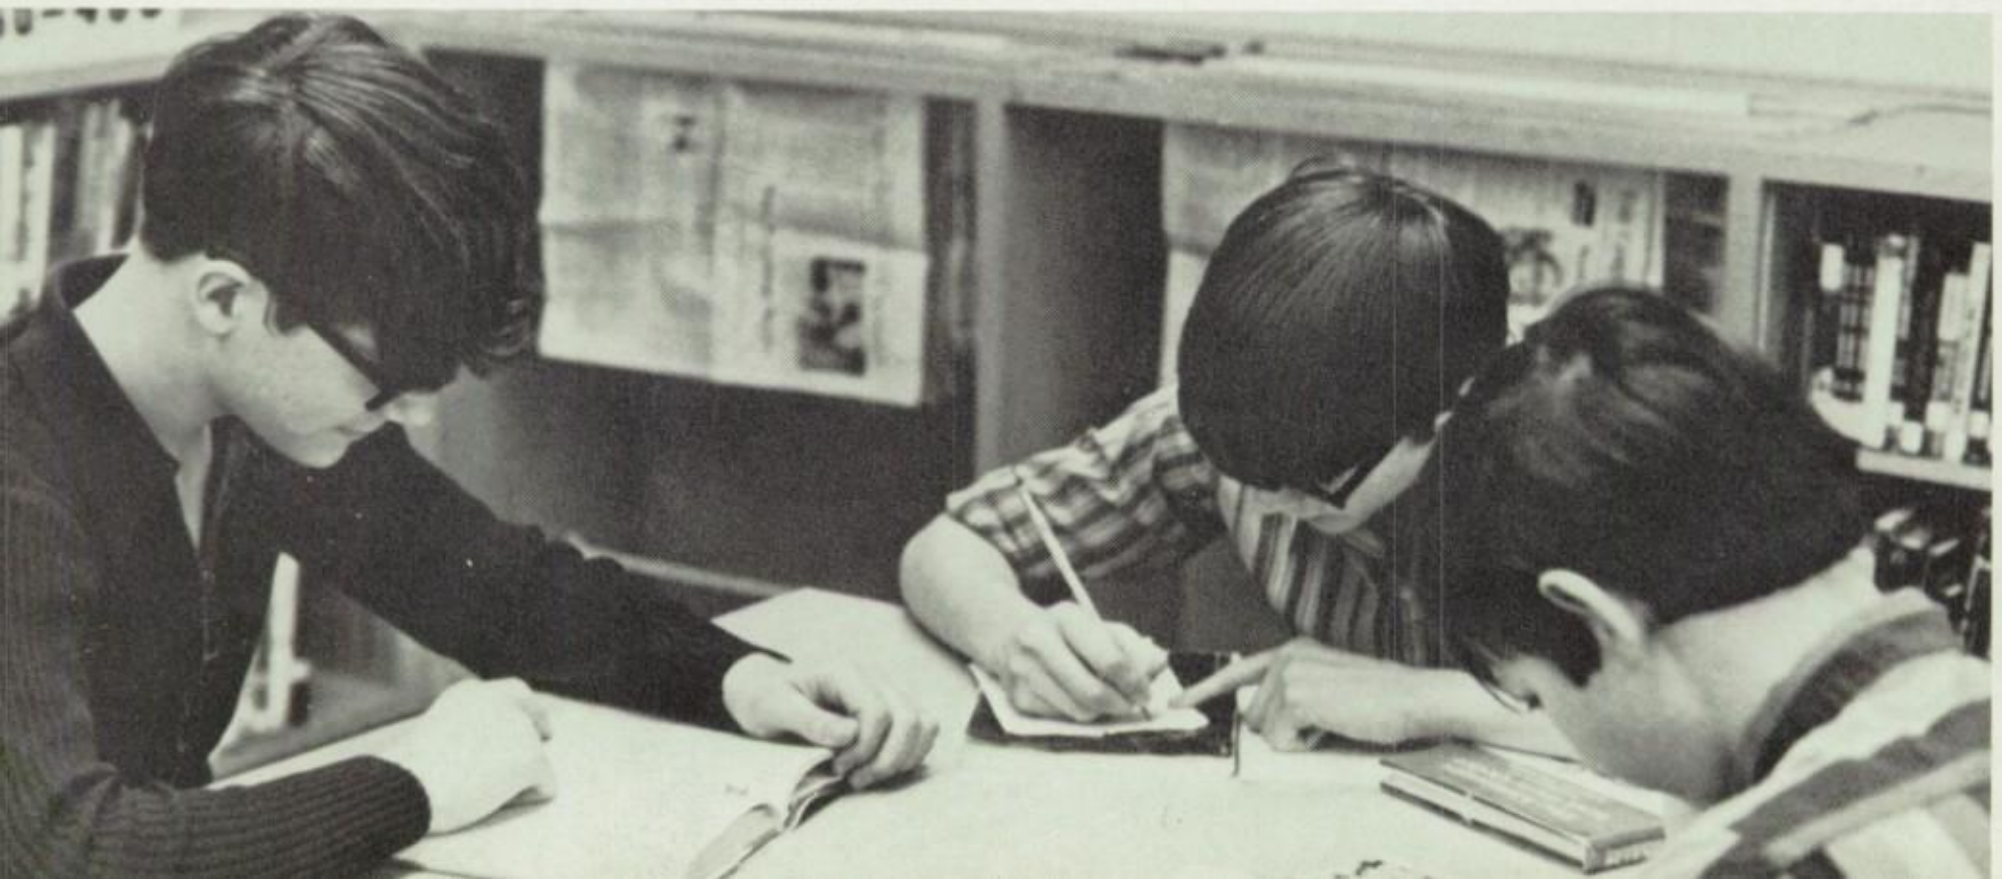
Take the Good Times with You.





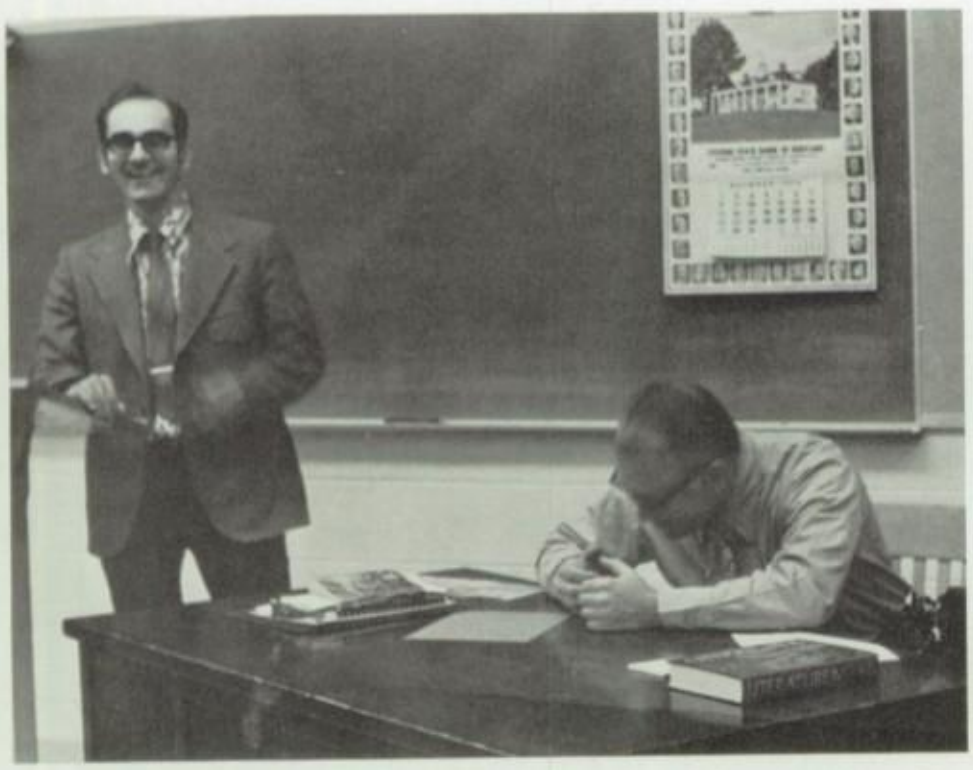
This is where you usually find the good times at RHS. You can find them on the smiling faces of teachers in the classrooms, hear them from the whispering students in the library, see them in the hungry faces in the cafeteria, and collect them in the laugh filled halls. Make your own good times and take them with you . . . with a little help from your friends.

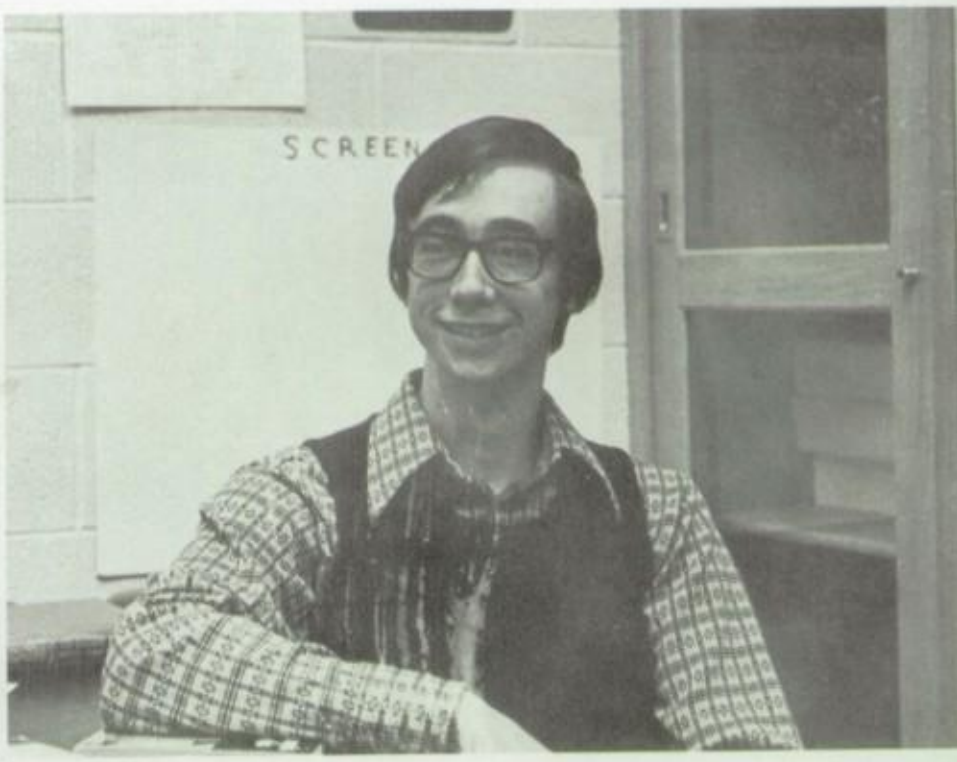




"The dogs bark never dies" because we love you Bulldogs.

From the thrill of victory to the agony of defeat, we have backed you all the way. The fighting spirit was always present in pep assemblies as well as games. There is one thing you say about Rudyard and that is the dog's bark never dies because we love you Bulldogs.



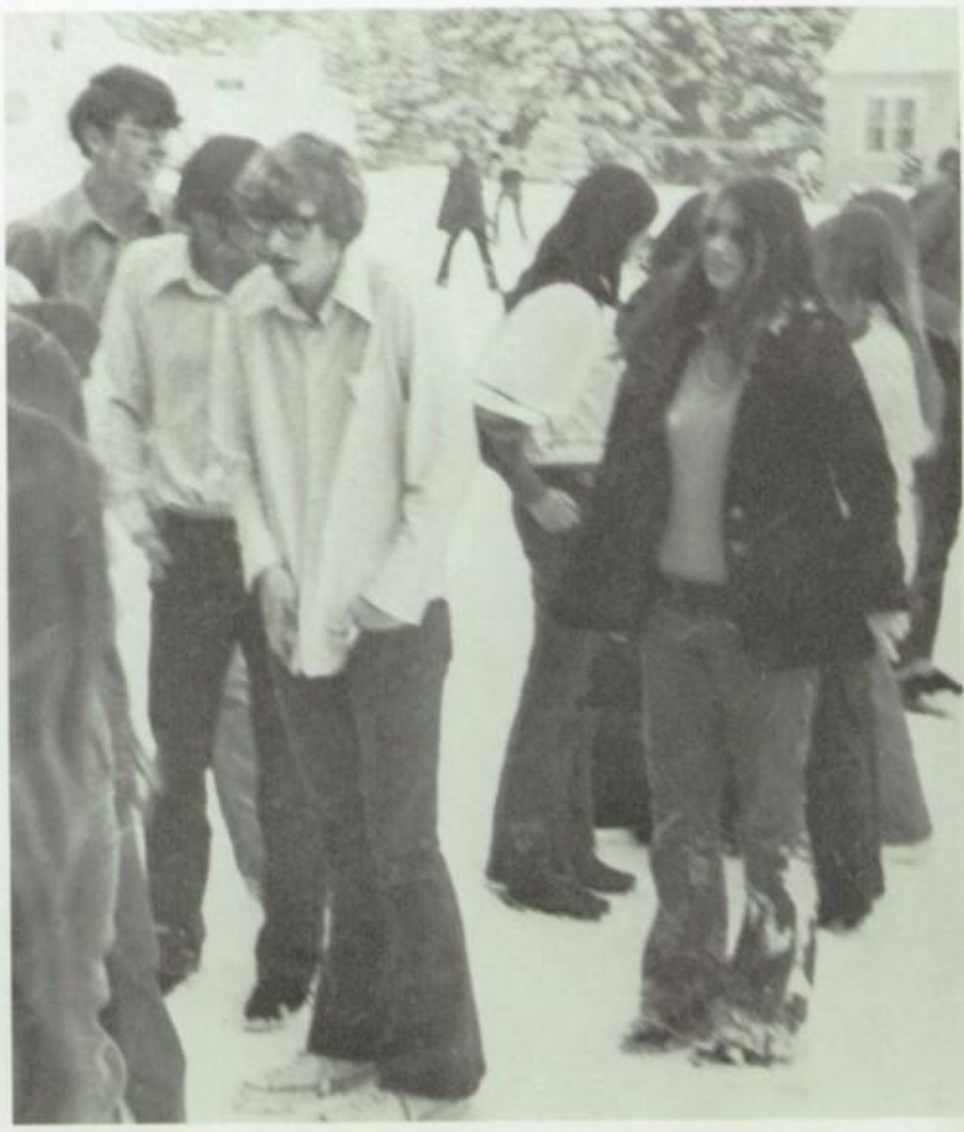


ARE THESE TEACHERS?

Yes, these are the famous Rudyard High teachers, enjoying their favorite pastime. This was the exciting Donkey Basketball game between the teachers of Rudyard High and the tough track club. Teachers may be smarter, but the track club trampled them with a victory of 10 to 6.

Snow, Snow, Snow, and More Snow

Peaks and trees scraping the sky.
A tiny snowflake catehes one's eye
And here in the midst we can breathe
a sigh,
Enjoying the beauty that we are
surrounded by.



...and Again More Snow

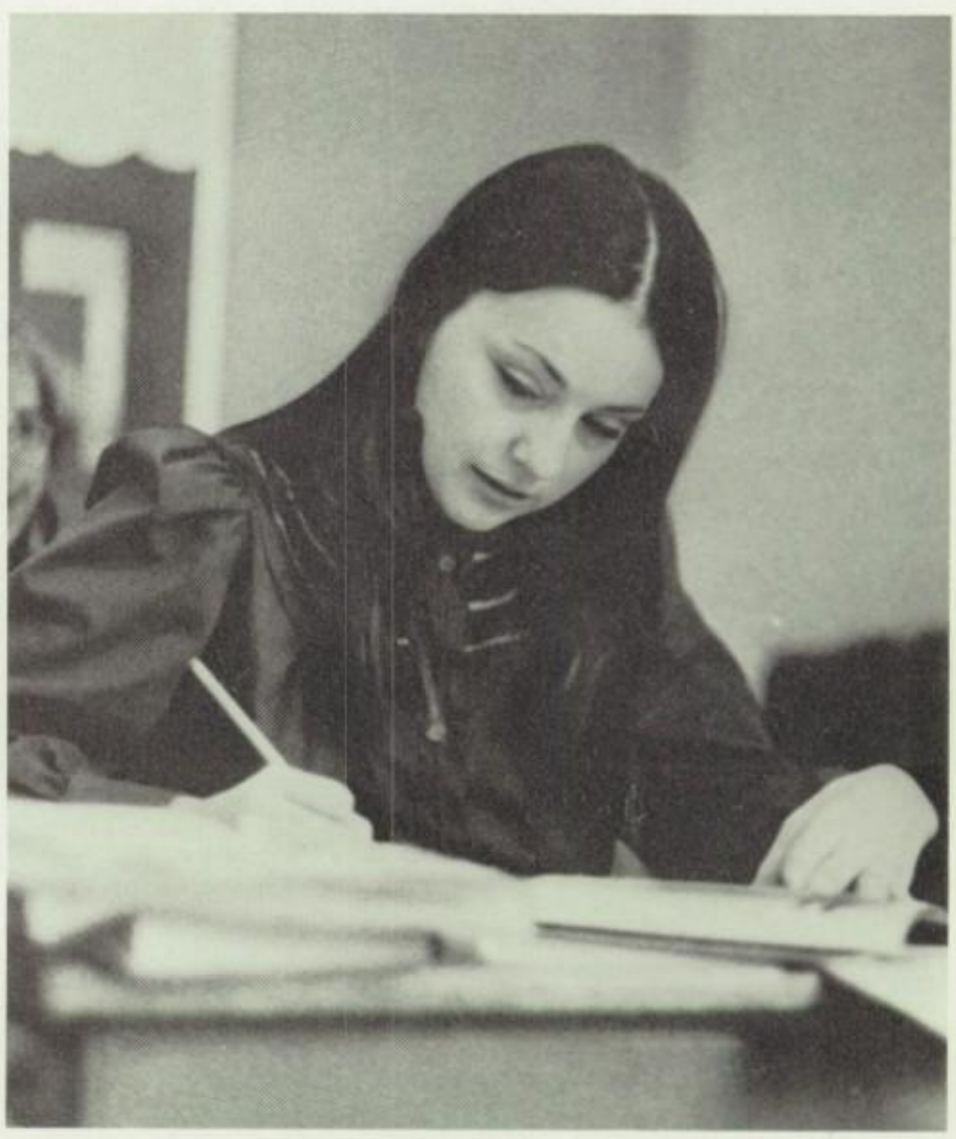
A Few Quiet Moments

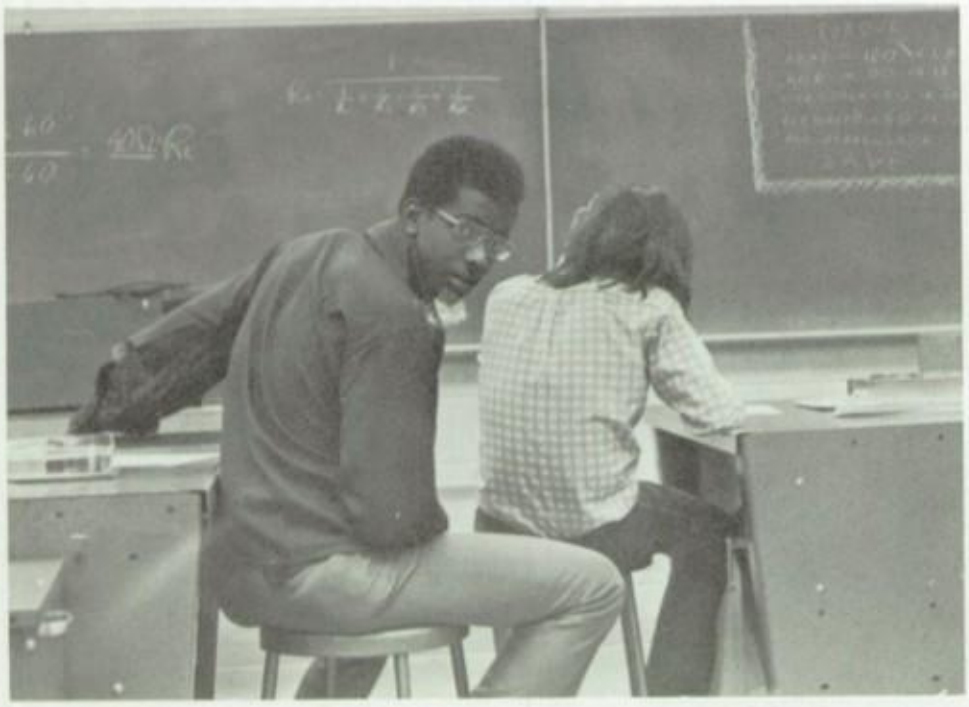
When Honour's sun declines, and
Wealth takes wings,
Then Learning shines, the best
of precious things.
—Edward Cocker

. . . *for Learning*

Beholding the bright countenance of truth in the quiet and still air of delightful studies.

—Milton





I'm innocent!

What did you say her name was?

Bug off, will ya!

Ooh, there's water in here.

A Few Exciting Times . . .

Rudyard High never has a dull moment, there's always a fight, a love affair, argument, or a lecture you can drop in on. If you really get bored, you can always resort to studying!

Oh Shoot!

Wha'd 'ya think you're doin?

You mean THAT was in a book?

Such good manners!

This years Student Council ventured into a project never tried before. They, with donations from clubs and bake sales sponsored by Student Council, have purchased a pedigree Bulldog. She is registered as "Nike Maceaver" and has quickly become the school favorite, making request appearances at basketball games and pep assemblies. President Cathy Clancy has formed a Student Council Reform Committee in the hopes of creating a Student Council that will truly work as a student government. Student Council has planned a spring carnival with a Spring King and Queen. All the clubs and organizations will participate with booths and activities.

The Osceowentha staff started early and hopeful this year. There were three experienced photographers on the staff, a three year veteran adviser, one scheduled hour a day for the staff to meet, and work, and more enthusiasm for the 1973 book than could have been hoped for. The advertising campaign was almost completed before school even started, with a dedicated crew of sellers collecting $2,500 for the sale of ads. Osceowentha corroborated with the Cheerleaders this year in putting on the Homecoming Dance. Surprisingly they both profited. The sale of books was begun early and ended in mid-December.But despite all problems the book is done as you can see.

This years staff of the newspaper worked together to print an effective paper, filled with news, entertainment, and student opinions. The Doghouse has served as a record of school events and as an outlet for the students voice.

To better represent the student body, the newspaper was divided into several sections, those being, Literary, Feature, Sports, Society, and News. Heading the staff were two co-editors and with their help the newspaper faced a relatively successful year.

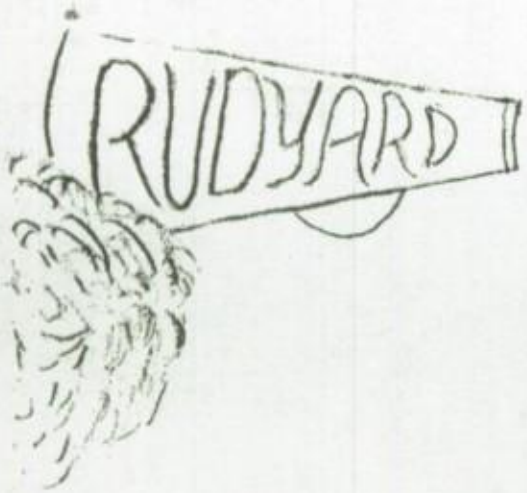
Band

Our RHS band this year has been a symbol of pride due to the improvement that has come about since Mr. Ambrosier has shown up. They have not only added to the games at Rudyard but have a great showing in the concert they put on during February. "Contrast in Motion" not only showed the public talent in our band but proved to be a successful money maker for the organization. So here is another activity that would really be worth looking into. Mr. Ambrosier would like to thank the student body for their support this year and would hope it continues next year when the RHS Band will do it up right, in the RHS style.



Pom Poms

The Pom Pom Girls are a group of young and spirited high school girls who want to promote a better attitude toward athletics. This year you have seen the girls do a variety of routines to many of the popular hit songs. The girls and Miss Graham the advisor have done quite a bit this year and should be recognized as a great contribution toward half time performances and helping to promote the school spirit of this past year.

Their goal this year is to send the senior members to the state high school basketball tournaments in Ann Arbor.

To earn the money they have sponsored bake sales, and a basketball game between the Rudyard Faculty and the Intramural All-Stars. Which to say the least was a success, with the faculty winning by a score of 48 to 41.

Health Careers

Health Careers has staged once again their annual Talent Show to raise money for their annual scholarship to one student who is going to pursue a medical career. To add to the funds raised by the Talent Show they sold stationery, candy and candles. This club also works to give its members a preview of what the medical fields has to offer. Best of health to you all.

FTA

Future Teachers are students with an ambition to teach others what they themselves already know. Hopefully people will realize that the future lies in our teachers for future generations lie in their hands. The people of this club should truly be admired. They have been active in teaching elementary and Jr. High students throughout the year, learning how to communicate knowledge.

FHA

One of the most active clubs here at RHS is the Future Homemakers of America. FHA annually sponsors the Sadie Hawkins Dance, a walkathon for needy groups, and many other projects.

With Christmas comes the singing of carols and a party in a holiday atmosphere at the Provincal House in the Sault.

They hold one business and one recreational meeting a month. The money they earn from their money making projects is used to finance meetings on both the regional and state level.

The Future Farmers of America of Rudyard High School are kept busy by selling concessions at high school football games and selling oranges and grapefruit at Christmas time.

During the winter, the boys spend most of their time preparing for local, regional, and state contest in leadership and agriculture skills.

The members of our local FFA operate a farm and do local community services.

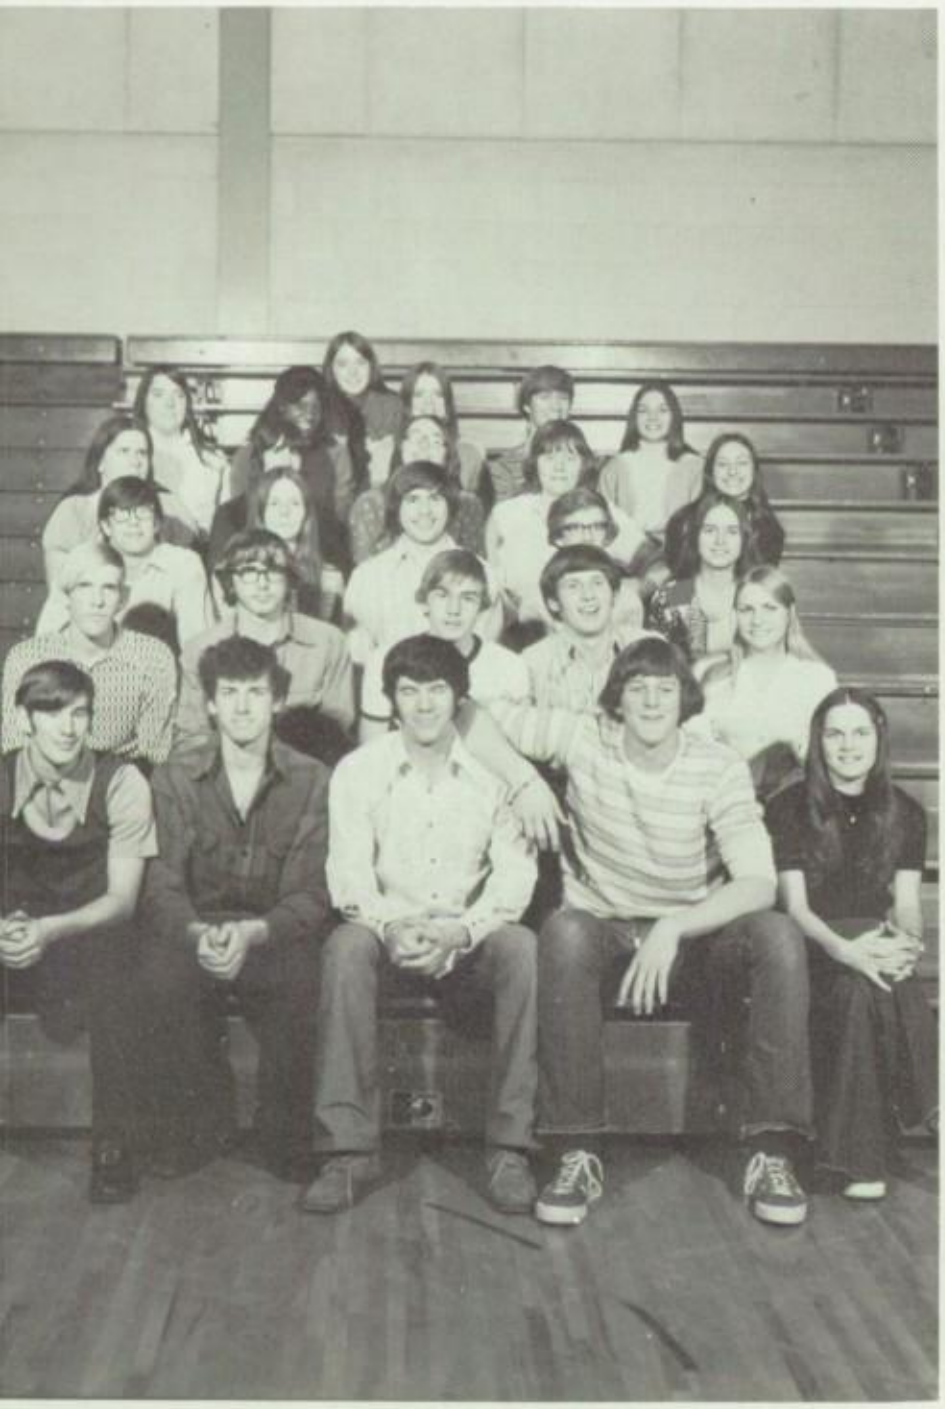
Student

Many students at Rudyard High School donate freetime and lunch hours to service organizations. Audio Visual (upper left) and Video Tape (upper right) are two of these groups. The duties of these two groups are setting up movie projectors and video tape equipement and doing any minor repairs needed. Audio Visual crew members are: Barry Davis, Karl Reid, Greg Hoglund, Chuck Burnham, and Rick Weaver. Video Tape crew members are: Greg Hoglund, Karl Reid, Chuck Burnham, and Rick Weaver.

Lunch Aides (lower left). These girls donate their lunch hours in assisting the cooks with the preparing of the meals. Their duties are various: selling milk, washing dishes, wiping off tables and when needed they help in serving the meals. The girls who are involved in this are: Cindy Berkompas, Donna Captain, Dawne Andrews, Tottie Polaskey, Cheryl Syring, Vicki Story, and Kathy Augustson.

Yearbook photographers deserve a lot of credit. Giving up free time, developing pictures and meeting deadlines are sometimes a hassle. The photographers are: (top to bottom) Dave Adams, Kevin Ouellette, Carlos Ruiz, and Keith Hughes.

Services



Many students are involved in assisting the physical education program (upper left). These students assist the P.E. teachers in the running of their classes. Members are row 1: Mike Wilson, Ken English, Warren Seavey, Dave Adams, Pam Barager. Row 2: Tim Hoolsema, Mike Besteman, Bob Malaski, Dave Nakarodo, Margie Braden. Row 3: Guy Shevenell, Liz Neeley, Mike Malone, Ralph Jones, Ellen St. Clair. Row 4: Linda Grogan, Sue Shirley, Mary Fake, Cathy Clancy, Shawnli Hart. Row 5: Peggy Savoie, Michelle Dorsey, Barb Betcher, Shelby Wartella, Dennis Suggitt, Becky Etters.

Student librarians (lower left) volunteer to help in the library during their study halls. They have a range of duties which include shelving books, getting materials from the back room and assisting students in checking out books. Members are row 1: Stephanie Duncan, Cindy Baldwin, Renne Keeney. Row 2: Tom Colvin, Kin Latva, Donna Meuret, Mike Hart. Row 3: Miss Busaid, Sharyll LaPonsie, Scott Leppo, Debbie Bookwalter, Mike Schmidt.

Office assistants (upper right) help in the running of the office by doing secretarial duties. People involved are: Rita Ernest, Theo Colvin, Judy Hetrick, Stephanie Tuin, Debbie Nayback, Debbie Savoie, JoAnne Mayer.

Ski Club

Ski Club–Row 1: Mary Duski, Marianne Mingione, Mr. Rose (advisor), Guy Shevenell, Hans Zinnecker. Row 2: Cathy Engle, Cathy Clancy, Shawnli Hart, Becky Etters, John Claxton, Marc Shevenell, Ron Ouzt, Erik Bird, Rick Johnson, Seth Butterfield. Row 3: Julie Herres, Rick Stange, Steve Diaz, Mike Malone, Mark Ouellette, Dan Davis, Leah Varner, Kevin Owens, Mike Howell. Row 4: Liz Neeley, Craig Hudson, Lori Tuin, Geraldine Geary, Kim Seavey, Vivian Strickland, Kim Charles, Leslie Charles, Jeff Neeley. Row 5: Patty Mc Dowell, Rhonda Butterfield, Jeannine Smyly, Kevin Ouellette, Terry Canterbury, Tanny Varner, Rick Ayres, Mike Purdy, Mike Ray, Jim Haynes, Eric Berry.

The main concern of Ski Club is to teach it's members how to ski and enjoy our winter-wonderland. They planned trips to ski resorts such as Nubs Nob and Searchmont Valley in Canada. The Ski Club is open to any high school student interested in skiing.

Track Club

The purpose of Track Club is to promote interest in track year round. This year they helped initiate a girl's track team and they have interested enough girls to actually start one this year.

Other plans of the Track Club are to send one member of the track team, boy or girl, to a summer training camp. This would be to train them in their particular area. This year they also tried to participate in winter track meets, down state.

This years officers are: Barry Davis–President; Dan Pefferss–Vice President; Kim Kamper–Secretary; and Manny Irwin–Treasurer.

Track Club–Row 1: Mr. Hamilton (advisor), Barry Davis, Dan Peffers, Kim Kamper, Manny Irwin. Row 2: Randy DeWitt, Kim Cheney, Dave Nakarado, Bob Malaski.

French Club

French Club–Row 1: JoAnn St. Louis, Miss Luoma (advisor), Debbie Nayback, Mark Whitney. Row 2: Craig Hudson, Dave Kauer, Dennis Whitcomb, Rick Naughton, Carl Utley, Lori Tuin. Row 3: JoAnn Kline, Arlie Seward, Vicky Hill, Cheryl Claxton, Terry Canterbury.

The French Club, although very active in various projects, found a lot of its energies endowed in working just to get their activities scheduled. Because of the growing competition between money making clubs, their goal for the year is one that accomplishes more than most people do in a life time, getting to know people from a different country and environment. They do this by their annual excursion to Montreal. While finding the language barrier a challenge, they also. find that people all over the world have many of the same goals in life as we do. So may French Club forever find the hassles of overcoming barriers at school, worthwhile this year, and next year.

Debate

Debate–Mrs. Palmer (advisor), Craig Hudson, Andy Dunnam, James Castle, Annette Curtis, Seth Butterfield, JoAnn St. Louis.

Debate this year was an entirely new team. Even though, novice the RHS debate team battled with many of the larger U.P. J.V. teams. The team underwent many trials in Marquette because of Marquette's different way of debating and with elimination competition in Marquette it was our team that had to adapt to their rules. All in all our debate team made a very good showing in competition this year.

Forensics–Row 1: Jeff Neeley, Ralf Jones, Debbie Nayback, Mark Whitney, JoAnn St. Louis. Row 2: Andy Dunnam, Craig Hudson, Ken Hayes, James Castle, Seth Butterfield, Annette Curtis.

Forensics also this year will be made up of novice competitors. This is a truly unique way of conveying your thoughts. It has been very satisfying for the students this year, and next year, if you are tired of talking to those who never listen. Forensics may be a channel you never thought would be open to you. So check it out!

Mr. Angel

Drama Club began work on "Mister Angel" a month earlier than in previous years, and maybe because of the early start they produced (quoting Mr. Flanders) "Most probably the best production we'll see in a long time." The Drama Club is planning on "The Savage Dilemma" for their spring production.

People Who Run the Show

Every year there are those students who, besides their own school work aspire to lead a club or activity outside of the school. These people receive no medals or letters, not even a form of recognition. Osceowentha wishes to offer these pages as their awards, for the extra time, energy and personal expense these people have gone to, to make their club a success for this year.

Co-Champs

This years Football team in which only 27 men participated got off to a bad start by loosing their first game to Engadine. The following week things picked up when the Bulldogs beat Cheboygan Catholic 6-0 on their home field. The highlight of the season was the win over the unbeaten, state-rated Panthers. The Bulldogs ended their season with a 6-2 record and tied with Cheboygan for the conference title.

Post season honors were great for this years team when Mike Malone was named All U.P. Center and Warren Seavey captured All U.P. Defensive End. Several others got conference and team honors.

The coaches this year were good and the men and school appreciated them very much.

Cross Country

Cross Country, an already tough sport was made a little tougher this year by the addition of another ½ mile changing last years 2½ miles to 3 miles this year.

The extra mileage didn't seem to affect the young Thinclads as they finished 2nd in the conference meet. They were nosed out by Pickford who had managed to beat the Bulldogs all year long.

They were paced this year by senior runners Kim Cheney, Dan Peffers, Duane Captain, Randy Dewitt and Kim Kamper. The first three of these men placed in the top 25 in the 180 man Sault Invitational.

The team is losing a lot this year, by the way of the graduation route, but should be a strong team next year.

Junior Varsity

This years Junior Varsity football team, for all its youthfulness, had a very successful season. They were aggressive and despite what some of the scores were they tell nothing about the determination of the team. They never gave up hope all season long, which paid off in gaining a few victories. Consequently, they ended up with a very successful 3-3-1 record. Congratulations to Coach Horrum, Coach Ruhanen and to the team for a job well done!

J.V. Cheerleaders

The Junior Varsity Cheerleaders this year were a team that had plenty of spirit in its tank. They had boundless energy and were never short on cheers or spirit.

The JV Gals always made their presence felt at basketball and football games, with their colorful and spirited performances. Their hard work and dedication were truly a credit to their school.

Row 2: Debbie Nayback, Vivian Strickland, Brenda Buckner, Kathy Klaudt, Debbie Schwartz, Judi Beene and Carol Rowe.

This year's Senior-Freshman team, under the direction of Sam Hohbien and Warren Seavey, put in many a cold afternoon practicing for their big debut against the Junior-Sophomore team. In the end the hard practices paid off. On Tuesday, October 10 they beat their rivals 22-0. Cathy Clancy scored one touchdown and Theresa Canady made the other two touchdowns. Two of the three conversions were made and the Senior-Freshman team prevailed.

Although the Juniors and Sophomores worked and played just as hard as their opponents, they could not get together and score against the fired up Senior-Freshman team. Congratualtions to the coaches, Rick Stange and Alfred Castle, and the team.

"The Hackers"

The Golf Team was one of the least known varsity teams at Rudyard. Although they received little or no support they still performed well.

They were also the team with the most road time as their matches ranged from Marquette to Mackinaw Island and from Newberry to Rudyard.

They were a fairly young team and show great promise for the next year. It is hoped that Rudyard's own Golf Course will be finished in time for them to use it.

Frosh Basketball

Coach Morehouse

The Rudyard freshman basketball team completed a very successful season this year, compiling a 12-2 won-loss. Both losses were one point decisions to the St. Ignance frosh.

The young Bulldogs displayed desire, hardwork, and that "never give-up attitude" that hopefully will follow them in their cage careers.

Congratulations Freshman.

Girls Basketball

Perhaps you've noticed a new addition to the athletic department. Rudyard High School has a new basketball team, but unlike all the others it consists of girls only.

The Rudyard High School Girl's Basketball Team played extrememly well this year. They faced insurmountable odds during each game and played up to the best of their ability.

The largest problems they faced were their inexperience and their lack of support. In the coming years the inexperience will disappear and the support may build up and Rudyard will have produced another fine team.

The girl's are anxious to play again next year and exhibit their fantastic desire and ability, so watch for the development of this new team.

Baseball 72

This year's Varsity Baseball Team had a very successful 10-4 season. They ended the regular season 10-2 and tied with the Sault for first place in their division. There was a play off game with the Sault and the Bulldogs were narrowly beaten by the Blue Devils. In the conference play offs they were defeated by Newberry.

This season there were 6 players named to All-Conference teams. With 3 players on first team and 2 on the second and 1 honorable mention.

They are a young team and show great promise for the future.

"The Team"

J.V. Basketball

This years J.V. Basketball Team was a strong hustling team. Their record of 11-9 does not tell the whole story of this fine team. They lost four games by only three points or less.

The team had a lot of outstanding Sophomores that will be an asset next year to the Varsity team. They combined height with fine shooting for a strong team.

They also managed to finish fourth out of seven in the J.V. Basketball tournament. Although the J.V. team never has the school support that the Varsity receives, they always deserve the same amount of congratulations that the Varsity receives, for they will be next years Varsity team and will be the team that is being cheered on and winning for us. So, congratulations to the J.V. Team from Rudyard High.

Varsity Cheerleaders '72—73'

JoAnn Mayer, Barb Betcher

Paula Davis, Karen Nayback

New uniforms inspire newly found enthusiasm among the Cheerleaders. Starting practice in August and trying to raise student involvement with sports activities here at RHS, the cheerleaders worked hard to bring new ideas into pep assemblies. Imagination bloomed through with old routines from the past being performed. Old uniforms, bobby socks, pony tails, and pompoms were used also. A new cheerleader was on the scene as a mascot, Jenny Helton and the famous Pord Chops Cheer.

The Cheerleaders planned Sweetheart and Homecoming Presentation and earned money through bake sales, dances and caramel apple sales to pay for the cleaning of their uniforms and purchasing travelling uniforms. Their advisor is Miss Hildebrand.

Varsity Basketball '72-73'

Coach Mike Ruhanen and his Rudyard varsity cagers completed the 1972-73 regular season with a 13-7 overall record and a 7-5 mark in the E.U.P. Conference.

The Bulldogs captured third place in the final conference standings and placed four players on the all-conference teams. Chester Roseboro gained first team honors while Warren Seavey was selected to the second all-conference squad. Dave Adams and Mike Malone were honorable mention.

The big "Black and Orange", defending district tournament champions, were pitted against Newberry and St. Ignace in their first step along the tourney trail. With their constant desire and determination they represented R.H.S. in a way that the entire student body should be proud of.

Wrestling

Although this years wrestling team's record was 3-7, it doesn't tell the whole story behind the team.

The Bulldog Matmen placed eighth out of 16 teams in the U.P. Finals, barely nosing out Sault High who had beat them three times during the 72-73 season. The wrestlers had two men receive medals in the finals. Alfred Castle gained a second and Jody Mayer placed third. Three others deserve credit for their places, Dennis Suggitt and Ralph Jones attained fifth and Cullen Pittman was sixth.

Special recognition to Alfred Castle who became Rudyard's first four-year wrestler. Along the way Alfred has gained many medals and honors. Among these are: fourth and two seconds in the U.P. Finals. First in Soo invitational, along with many others.

. . . And Away We Go

Eric Ball

Compassion for his fellow man seemed to be foremost in the mind of Eric A. Ball. He was always willing to be a help in whatever manner he could. Often he guided many of us to a richer, fuller life through his kind ways and infinite courtesies. He was a considerate man, looking always for someone he could encourage on their walk through life, and yet he never expected or sought for this world's recognition. Devotion to others marked him as an unselfish individual with a lasting love for the human race. We, therefore, dedicate this page to the beloved memory of this compassionate man.

Fred Besteman

The boundless energy and enthusiasm of this young man lifted many of our hearts. His cheerfullness seemed to penetrate our school's atmosphere, and when he was around, we could not help but come face to face with a deep appreciation for his active spirit. For those who knew him best he was a friend, one who could be talked to, caring, and sharing life's delights as well as sorrows. He knew how to cheer saddened hearts and listen to lonely souls. Friends came easily to him no matter where he was, at school, at church or throughout the community. It is for these, and many more inexpressible reasons, that we wish to place this page in memory of Fred Besteman.

I Shall Not Pass This Way Again . . .

Any good things that I can do
or any kindness that I can show
let me do it now! Let me not
defer it or neglect it.
For I shall not pass this way again.

TO OUR UNDERCLASSMEN,

Our high school years have ended. We have closed our lockers never to reopen them. We have walked the halls of R.H.S. with you for the last time. We are leaving Rudyard High with mixed feelings. The memories of all of you will stay with us for the rest of our lives. The happiness you brought us will never be forgotten. When we look back on these years we'll see you. We want to thank all of you for making our last year a great year.

With great hopes for the future,

Time

Unfathomable Sea! whose waves are years,
Ocean of Time, whose waters of deep woe
Are brackish with the salt of human tears!
Thou shoreless flood, which in thy ebb and
flow
Claspest the limits of mortality,
And sick of prey, yet howling on for more,
Vomitest thy wrecks on its inhospitable
shore;
Treacherous in calm, and terrible in storm,
Who shall put forth on thee,
Unfathomable Sea?
